Register Your King or Queen Today

Our family has enjoyed the love, companionship, comfort, and security which our pets have provided. They've done this in return for us providing a place to sleep (usually my bed), shelter from the weather, a sturdy fence, being fed every day and having clean water.

We've also felt the panic, when one of them escapes through the front door or an open gate. The fear that the pet that we know and love, that has been treated like a king or queen, has wandered away from home and your imagination runs wild.

In an attempt for your Neighborhood Association to assist you in these unfortunate situations, we have established the West Watch Neighborhood Pet Registry to provide a neighborhood resource for finding and returning lost pets. It's really simple to register your pets, just download the Pet Registration Form from westwatchonline.com, attach a picture of your pet(s) and return it to Laura & Bob Hare at 11908 SW 7th.

We would like to remind and encourage you to keep collars and identification tags on your pet(s) at all times, as that is the quickest and most effective way to ensure that a lost pet is safely returned home. The best tags to put on your dogs are those that have the owner's name and address. These tags cost about \$5.00 and are available at places like PetSmart or many veterinarian offices.

Please be a good neighbor and help a dog that looks lost (if it is friendly and approachable), and contact the owner if the dog has a tag. If you lose or find a pet in the West Watch area, please contact Laura & Bob Hare at 324-0140 and give a description of the pet and where you found him/her.
